

# MICROBIOLOGY TESTING

## Microbiology

Whitehouse Labs now offer microbiological analysis per USP-NF, EP, JP, AOAC, ASTM and AATCC for raw materials, R&D and Finished Products supporting the Pharmaceutical, Personal Care and Cosmetics industries.

With comprehensive knowledge and experience in all areas of Industrial Microbiological Analysis, Whitehouse Labs is committed to the support of our clients' Microbiology needs, from method development-optimization-validation to routine release testing, formulation and examination of preservatives to recommendations for additional pathogen challenge and evaluation.
